Nightly Lane Closures on I-94 from I-57 to MLK Drive

CHICAGO – The Illinois Department of Transportation (IDOT) announced that temporary, nightly lane closures will take place on the Bishop Ford Freeway (Interstate 94) between Interstate 57 and Martin Luther King Drive, in Chicago, to complete the remainder of a resurfacing project, beginning, weather permitting, Monday, April 10.

In order to complete the work, nighttime lane closures will be necessary on the Bishop Ford Freeway in both directions between I-57 and Martin Luther King Drive.

The scope of the project consists of resurfacing, pavement patching and replacement of thermoplastic pavement markings. The project was substantially completed in 2016. Remaining work includes installation of permanent pavement marking, raised reflective pavement markers and structure cleaning.

The overall project is expected to be completed in Spring 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
